Projektinformation

Titel: MY WAY

Projektnummer: LLP-LDV-TOI-13-AT-0013

Jahr: 2013

Projekttyp: Innovationstransfer

Status: abgeschlossen

Land: AT-Österreich

Marketing Text: Für viele junge Menschen, insbesondere für junge Menschen mit speziellem Bildungsbedarf oder aus schwierigen sozioökonomischen Verhältnissen, ist die Schnittstelle zwischen Pflichtschulen und dem Einstieg in den Arbeitsmarkt eine sensible Entwicklungsstufe. In Österreich wird das Modell „Jugendcoaching“ angeboten, das auf Beratung, Netzwerkarbeit, Case Management und Clearing beruht. Eine große Herausforderung in allen Europäischen Ländern ist es aber, junge Menschen zu erreichen und für Ausbildung und Training zu motivieren. MY WAY verknüpfte das Jugendcoaching Modell mit Peergroup Workshops, um den Zugang zu jungen Menschen zu verbessern. Im Rahmen des Projektes wurde das Jugendcoaching mit Good Practice Beispielen aus Europa optimiert und ergänzt und in Europäische Länder verbreitet. MY WAY konnte ein inklusiver und partizipativer Beitrag sein, um frühzeitigen Ausbildungsabbruch von Jugendlichen und somit die Jugendarbeitslosigkeit zu verringern.

Zusammenfassung: The project offers young school-leavers at risk, young people with special education needs or difficult socio-economic background better perspectives at the labour market. MY WAY empowered young people at risk to make a decision for training or employment program after compulsory school. MY WAY combined The Austrian Youth Coaching Model with Peer-Group Workshops as an instrument to reach and motivate young people. The Youth Coaching Model was optimised by the influence of EU good practices and transferred in EU countries in order to reduce the average of early school leavers and drop outs.
Consortium
The partnership consisted of 6 organisations from 5 countries representing a good balance of EU regions. All partners were facing similar problems in the youth employment field.
The partnership was carefully composed to assure that all necessary skills exist in the partnership to analyse and improve existing results, to develop, transfer, and implement the MY WAY Compilation for youth at risk.

Target groups:
*Young people after compulsory that are not in education, not employed and not in training
*Young people (peers) who are interested in working with youth at risk
*Experts, professionals, trainers, public and private organisations in the youth employment field, and parents.

Impact
o To improve the knowledge of professionals, experts, and trainers in the social and employment field, and parents.
o To widen the intervention program in EU countries for unemployed youth.
o To raise awareness about different intervention programs, needs of youth at risk, reach ability of youth at risk, integration of youth at risk into training or education.
o To improve the Austrian Youth Coaching concept with pedagogical materials and interventions from EU good practice.

Beschreibung: Exchange of good practises with an inclusive and participative approach.
- Collaboration with young people as experts in their own matters.
- Analysing EU projects and good practice examples and improve the Austrian Youth Coaching Concept with pedagogical elements from the analysed good practice examples.
- Developing curricula for a Peer-Education-Seminar and a Peer-Group-Workshop to better reach youth at risk.

Projektinformation

- Designing a Transferability Guideline
- Testing the developed curricula in partner countries.

Produktinformation:
MY WAY Compilation: contains Synthesis Desk Research, Good practice examples,The Austrian Youth Coaching, Peer Education (Basic Groundwork, International Peer Education Seminar, National Peer Group Workshop,Results and Recommendations and the My WAY Transferability Guideline. The MY WAY Compilation is published in DE, PL, IT, ES and MT on the website.
- Synthesis Desk Research: The Synthesis Desk Research gives an overview of the state of art services and interventions concerning youth at risk in AT, DE, ES, IT, MT and PL and on European level.
- Basic Groundwork - Recommendations:Young people worked together with the national project teams to ensure an inclusive and participative approach in the development of the MY WAY Compilation. The Basic Groundwork supported young people to accomplish goals, strategies and interventions for young people at risk to be integrated into training or educational programs.
- Peer Group Education Evaluation Results: At the International Peer Group Seminar in Hannover 12 young people from Austria, Germany, Malta, Poland and Spain received a special Train the Trainer workshop in order to offer own workshops in their home countries. The training got evaluated by an external evaluator.
- MY WAY Website: The website offered a meeting point to the community and a mechanism to reach the wider public and to disseminate the achievements arising from the project through web pages, documents, movies and newsletters.
- MY WAY Leaflets: Two leaflets communicated briefly and sufficiently the purpose of the project and information about the partnership,as well as the otcomes of the project.
- MY WAY E-letters: Three E-letters informed about the current stage of the project.The E-letters were distributed among interested experts, professionals, organisations and stakeholders in the youth employment sector and the disability sector.
- MY WAY Exploitation Seminar: The final conference of the project under the title "Youth Coaching meets Peer Education – Successful support on the transition into the Labour Market", was held on September, 10th 2015 in Madrid. There the project could set a major milestone for the transfer of Austrian youth coaching model and the peer education approach developed in the project. Speakers from Austria, Malta and Spain contributed to the success of the conference.

Produkt 'MY WAY Peer Group Education Evaluation Results'

Titel:	MY WAY Peer Group Education Evaluation Results
Produkttyp:	andere
Marketing Text:	At the International Peer Group Seminar in Hannover 12 young people from Austria, Germany, Malta, Poland and Spain received a special Train the Trainer workshop in order to offer own workshops in their home countries. The training got evaluated by an external evaluator.
Beschreibung:	The Peer Group Education Seminar was implemented from January 16th to 17th 2015 at the premesis of the German partner Stephansstift Zentrum für Erwachsenenbildung in Hanover. There, 12 youngsters from AT, DE, MT, PL, ES, gathered for receiving a special training. They were aged between 16 und 22 years and represented different levels of education. DE and AT sent young women and men with learning difficulties however with a secondary education diploma and with an option to enter an VET carrier. From the other countries pupilies and students participated the training. The Seminar was a train the trainer seminar after which participants should be able to offer and implement similar workshops on their own, once they are back in their home countries. The main idea was to attract persons representing the target groups of NEETs (not in educaiton, not in employment) but also to raise awareness within their professional (trainers, social workers) and priviate (family, friendes) background. The training was implemented by a German trainer.
Zielgruppe:	Young people who are interested in peer-education and further on in offering peer-group-workshops , professionals, experts, practitioners, and trainers in the social and employment field, parents, and cooperating with professionals and practitioners in the social and employment field.

MY WAY Peer Workshops

Datum	31.05.2015
Beschreibung	participants offered (together with others) own workshops in their home countries. Peer workshops were implemented in AT, PL, ES, MT and DE during May 2015. The partners from MT, ES and PL worked with two workshop leaders, in AT there were four involved, in DE even 10. The peer leader orientated more or less on the curriculum for the peer leader workshops. Due to different groups and their needs, the content was adapted, some topics were dropped, others added. In all cases the workshops were successful and the target group reached and satisfied.
Zielgruppe	Young people with low academic achievement/last year of compulsory school,Youth at risk, NEET’s, learning disabilities, pupils, in the youth coaching program;Pupils at risk, learning difficulties, social exclusion. l

Basic Groundwork Workshops

Datum	27.11.2014
Beschreibung	Between July and October 2014 workshops with young people took place in five partner countries (Austria, Poland, Spain, Malta, Germany). A total of 57 youngsters took part in the workshops. Aenzija gaag (Malta) developed a curriculum that was used by all other partner organisations for their work with the young people. The young people came to reflect the problems of NEETs and tried to find some solutions for these problems. Some of the young participants will be trained to facilitate workshops for other youths.
Zielgruppe	Young people after cmpulsery education at the age of 15-25 Years, especially youth at risk (e.g. "Early school leavers," ", "out of school youth", NEETS (Not in education, Emplyment ot Training) and youth with learning disabilities)
