Lifelong Learning Programme

This project has been funded with support from the European Commission. This publication reflects the views only of the author, and the Commission can not be held responsible for any use which may be made of the information contained therein.

How can CaMEO help you?

IT workers:
Find a new job, at home or abroad!

Benefits to you as an employee:

- Benchmark your ICT skills against the European Qualifications Framework, a European-wide classification system
- Create your own job profile and get connected to employers
- Take part in a free e-learning course 'Career mobility for the 50+ in Europe'

Employers:
Find skilled employees to fill your IT job vacancies!

Benefits to you as an employer:

- Search for highly qualified ICT personnel from around Europe
- Boost effectiveness of the recruitment process by using customisable search criteria
- Save time and money

CaMEO project is now in the **process of testing** the e-Academy and 'Skills Matching' database. The aim of the pilot is to assess the usability and usefulness of the platform as well as the content of the e-learning course developed in project.

Your feedback is important for improvement! You are warmly invited to test the CaMEO tools and share with us your comments and suggestions.

The number of participants is limited - so do not hesitate and join the CaMEO pilot now!
