2nd TRANSNATIONAL MEETING

Perugia, 24th and 25th MARCH 2014

Minutes of the MEETING

This project has been funded with support from the European Commission. This publication [communication] reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

Monday, 24th March

14.00 – 16.00 **Venue: c/o Aris Formazione e Ricerca Società Cooperativa**
Strada Santa Lucia, 8 06125 Perugia (PG)
Tel +39 075/5848056 aris@arisformazione.it www.arisformazione.it

- Each partner presented WP 2 (Analysis and preparatory researches in participating countries on the tourism sectoral professional field concerned by "heritage interpretation" activities) results achieved at national level utilising the common tool defined during kick off meeting, particularly the detailed outline of the different professional figures detected in all participating Countries and the classification of all these professional figures within EQF via national qualifications frameworks and systems;
- Umberto Lepri, presented a draft of the deliverable n. 10 "Report on analysis and preparatory researches on the tourism sectoral professional field concerned by "heritage interpretation" activities", and particularly of the hypothesis of common European perimeter of these professional figures, limited to EQF level 5 or lower, on which IoE will implement ECVET;
- Partners defined the perimeter of IoE activities;
- Partners validated WP 2 in order to prepare it for the quick translation of the report in their national languages and for its printing.

16:30 – 18:30 Valeria Poggi, a representative from Umbria Region presented the Umbrian "Ecomusei ", Roberto Canali the experiences of "La mulattiera", and Silvio Piorigo the heritage project of "Monte Meru"

Thursday, 25th March

09.00 – 13.00
- Info day and focus group

13.00 – 14.30 *Lunch break*

14:30 – 16:30
- Partners analysed and defined actions, tools and task for the project work planning, in particular for the WP 3 "Definition of an action

	plan for the ECVET process to be activated in the tourism sector professional field concerned by "heritage interpretation" activities. WP 3 includes the activities aimed to define a coherent plan of activities for activating the ECVET process to the perimeter of professional figures defined within the WP 2. • Partners agreed that: • the definition of this ECVET action plan will be carried out through the collection, analysis and adaptation of experiences and best practices already realised on transparency and recognition of competences and qualifications, and on ECVET process activation. • The WP 3, starting with the 2nd INTERPRETING Meeting in Perugia, will have duration of 3 months, till the 3rd INTERPRETING Meeting in Budapest, which will be held in the period 25th – 26thst June 2014. • The WP 3 will allow the production of 11 deliverable: an "Action plan for the ECVET process to be activated in the tourism sector professional field concerned by "heritage interpretation" activities containing: a report on the research, analysis, and adaptation on experiences and best practices already realised on transparency and recognition of competences and qualifications, and on ECVET activation, both in tourism sector and in the other EU VET sectoral contexts; the planning for the activation of the ECVET system in the concerned professional field of tourism sector, defining strategies, activities and tools to be implemented by the partners to activate and develop the ECVET process. This plan, defined on the basis of best practices collection and analysis, will focus on the involvement in this process, in each Country, of competent public institutions, interested social partners and VET providers, and on methods to design qualifications in units of learning outcomes with allocation of ECVET points. The plan will be presented and validated during the Meeting in Budapest.
16:30 – 18:30	• Partners analysed and checked the Project work management ant planning, in particular for the "transversal" WPs of the project: WP 1 "Management and coordination of project Consortium and work packages" , WP 7 "Quality management", WP 8 "Dissemination and exploitation of project results"
