Products

1 Methods of teaching languages in kindergarten

Product 'Methods of teaching languages in kindergarten'

Title:	Methods of teaching languages in kindergarten
Marketing Text:	
Description:	Our kindergarten teachers got to know other methods of teaching languages in kindergarten. They got a certificate about their placement in an english speaking kindergarten in the course of their langauage paedagogical further education.
Target group:	
Result:	Our kindergarten teachers could get to know new methods and techniques of teaching (foreign) languages. They also had the possibility of seeing and collecting materials for their future language paedagogical work in their respective kindergarten groups. Furthermore our teachers could improve their language and intercultural skills during their placements abroad. They also learned to accept unfamiliar circumstances and work processes.
Area of application:	
Homepage:	
Product Languages:	German
