Status:	running
Country:	DE-Germany
Marketing Text:	SME are highly flexible and innovative enterprises. But sometimes they are lacking a transparent organisation. Objective of PIMM is to develop, tes...
Summary:	SME are highly flexible and innovative enterprises. But sometimes they are lacking a transparent organisation. Objective of PIMM is to develop, test and disseminate an innovative, transnational skills acquisition concept for implemantation of process-integrated management methods (quality, environmental protection, workplace safety)especially for SME with less than 50 employees. The development work is done in close cooperation with SME.
