Project Information

Title:	Sicherung der Chancengleichheit am internat. Arbeitsmarkt d. berufliche und sprachliche Qualifizierung
Project Number:	AT/09/LLP-LdV/IVT/158083
Year:	2009
Project Type:	Mobility - initial vocational training IVT
Country:	AT-Austria
Status:	completed
Individual Participation:	Possible until: 02.08.2009
Marketing Text:	The participants, living in a separated region, want to improve their language skills. It's a great chance to get experience in travelling, living and working with people from other EU-countries. Although they've been very successful during their compulsory education they couldn't take the chance without any support because of the low income of their parents.
Summary:	Summary The Mobility project is themed "Improvement of career opportunities on the international labour market through placement and language training". The most important points are: improvement of language skills, living in other cultures, learning from people from other countries, learning how to organise travelling tours and contracting friendships.
Themes:	*** Labor market *** Quality *** Lifelong learning *** Social dialog *** Open and distance learning *** Vocational guidance *** Enterprise, SME *** Ecology *** Equal opportunities *** Language training *** Continuous training *** Initial training ** Intercultural learning ** ICT ** Higher education ** Recognition, transparency, certification * Utilization and distribution of results * Access for disadvantaged
Sectors:	*** Accommodation and Food Service Activities *** Human Health and Social Work Activities *** Information and Communication *** Education ** Activities of Households as Employers; Undifferentiated Goods- and Services-Producing Activities of Households for Own Use ** Professional, Scientific and Technical Activities ** Other Service Activities * Manufacturing
