Lifelong Learning Programme

MobEx mobility excellence

07/09/2012

09:30 am **Registration, Doors open**

10:00 am **Welcome Speeches**
Peter Wölffling (Managing director IHK-Projektgesellschaft mbH Ostbrandenburg)

„Mobility makes vocational training more attractive“
Wolfgang Spieß (Head of department of Education, IHK Potsdam)

10:15 am **European instruments for transparent and recognized learning outcomes**
National Expert – Dr. Eberhardt (not yet confirmed)

10:30 am **„Mobility Excellence“ – practical matters of ECVET – learning mobility needs competent partners**
Hartmut Schäfer (Head of Further Training Center, IHK-Projektgesellschaft mbH Ostbrandenburg)

10:45 am **European Partnership „Mobility Excellence“**

1) **„How to guarantee the acquirement of professional competences (knowledge)“**
Foyle International, United Kingdom

- presentation of partner (max. 2 PPT slides)
- practical experiences with implementation of ECVET/role of MobEx partners in the project: from learning agreement with units of learning outcomes and candidate’s needs -> find placement suitable to gain competences as described with units of learning outcomes -> apprentices use work tasks for preparation -> final assessment with CEMES and competence appraisal -> documentation: europass and certificate
- marketing for advantages of ECVET instruments (raises quality of mobility experiences etc.)

2) **„How to enhance language and intercultural competences“**
ALFMED, France

- presentation of partner (max. 2 PPT slides)
- next to professional skills also personal and social skills which are relevant and trained
- how are these promoted (language preparation, intercultural activities, living with students from different nations etc.)
- relevance for personal development (apprentices become more mature, self-dependent etc.)

3) **„Assessment and Validation“**
MEMo, Malta und IBS, Germany

- presentation of partners (max. 2 PPT slides)
- IBS: technical components CEMES, development from filling test centers with questions to adjusting platform, providing results of all types of questions on one page etc.
- MEMo: assessment consisting of feedback talk (evaluation, Competence Appraisal) and CEMES online test, experiences with testing procedures, feedback of candidates

12:15 am **Get together – Lunch and Exchange of experiences**

13:00 am **Apprentices who took part in the programme share their experiences (probably Nastassia Möhrmann/FR; Nadine Lauersdorf /UK; Svenja Kaiser/IT)**

13:30 am **Conferment of the euro*passes***

14:30 am **The End**
