Project Information

Title:	EULIK : European learning for staff by each other in the kindergarten
Project Number:	DE/09/LLP-LdV/VETPRO/281145
Year:	2009
Project Type:	Mobility - Professionals in Vocational Education and Training VETPRO
Individual Participation:	Not possible
Status:	completed
Country:	DE-Germany
Marketing Text:	The participants (Vetpro) got a comprehensive insight into the education ways (kindergarten), in the early child care in general and the fields of work resulting from it for "educators / specialist staff" in the partner lands became introduced. Then in practical phases the educators could meet her colleagues in the host countries at the work and there they worked together. The general contentment with the stay abroad with the "peak value" of about 100% is a sign for the fact that the expectations more than have come true. This also concerns the preparations and the communication in the project with a peak value by likewise 99% and the content processing (see also learning arrangement) with values of about 99%. The project was awarded by the NA-BIBB and was distinguished with the title "good practise, mobility project 2009".
Summary:	In this projects the participants (VETPRO) of early child care organisations (kindergarten) wants to compare didactiv, methods and tools.The VETPRO from the area of Early child care got first a theoretically introduction and then worked practically in the partner organisations (kindergarten).
