Projektinformationen

Titel:	Regionales Training im Ostseeraum zur Audition von Kinderschutzeinrichtungen
Projektnummer:	2010-1-SE1-LEO05-04791
Jahr:	2010
Projekttyp:	Innovationstransfer
Status:	abgeschlossen
Land:	SE-Schweden
Marketing Text:	Die nationalen Agenturen und Behörden sind durch nationale Gesetzgebung beauftragt, Kindschutzeinrichtungen und die an sie gestellten Anforderungen im nationalen Recht, internationale Konventionen und andere Vereinbarungen zu überwachen und zu berwerten. Das fuer diese Aufgabe verantwortliche Fachpersonal hat bis jetzt wenig oder gar keine Schulungen und weiterfuehrende Trainings erhalten, wie solche Auditionen durchzufuehren und aktiv zu ueberwachen sind. Das Projekt wird ein innovatives Trainingsmodell für die systemische und systematische Ueberprüfung und Überwachung der Kinderschutzeinrichtungen vermitteln, bei dem die Perspektive der Kinder ebenfalls Beruecksichtigung findet. Schulungsmodell und -material werden in Norwegen entwickelt. Modell und Material werden überarbeitet, aktualisiert und unter Bereucksichtigung sprachlicher und kultureller Unterschiede an die Bedingungen der Partnerländer angepasst und in diese uebertragen.
Zusammenfassung:	Training is a necessary prerequisite for countries to fulfil their obligations as stated in the Convention of the Rights of the Child, more precisely articles 9, 20 and 25. A training package and a model for delivering such training is useful in all countries in the region and in Europe.
Beschreibung:	Training package is now available in English, Swedish, Estonian, Latvian and Russian for use in training staff conducting systemic and systematic monitoring of child residential care.
