Title:	Volunteer Management e-Learning
Project Number:	UK/11/LLP-LdV/TOI-484
Year:	2011
Project Type:	Transfer of Innovation
Status:	completed
Country:	UK-United Kingdom
Marketing Text:	This project has successfully developed an e-learning course for Managers of Volunteers which is based around the UK accredited ILM qualification. The project materials have been tested via four pilot programmes in Spain, Italy, Lithuania and Poland in the early part of 2013.
Summary:	The online course was developed through consultation with the partners to ensure that the content successfully met the learning needs of volunteer managers in each of the partner countries and could be used more widely across Europe in future.
Description:	In delivering the project, five project meetings took place, two hosted by the lead partner in Newcastle upon Tyne (UK), one hosted by Partner 3 in Siauliai (Lithuania), Partner 4 in Turin (Italy), and Partner 2 in Bilbao (Spain) plus a materials development and trainer update meeting (UK). The meetings were attended by all partners and the planning phase before each meeting ensured that all present were able to fully contribute and actively participate in the meetings. A final conference hosted by Partner 2 was held in September 2013 in Bilbao Spain to show the success of the project and to highlight volunteers and volunteer management.
Themes:	*** Open and distance learning *** Continuous training ** Quality ** ICT ** Lifelong learning * Sustainability * Recognition, transparency, certification * Vocational guidance
Sectors:	*** Other Service Activities ** Education * Human Health and Social Work Activities * Information and Communication
Product Types:	modules material for open learning distribution methods teaching material open and distance learning procedure for the analysis and prognosis of the vocational training requirement transparency and certification website
Product information:	An online Management of Volunteers course has been developed in four new languages. The Independent Evaluation was carried out. The dissemination strategy and stakeholder analysis has been completed by all partners. The project logo has been designed and agreed The project website www.volmanel.eu has been created and launched. A facebook page has been created for input by partners and other stakeholders. Primary and secondary research has been undertaken by all partners. Five country research reports have been produced plus an EU-wide report. A final conference to promote the online course and volunteering was held in Bilbao in September 2013 and hosted by Partner 2.
