
Set Design (ONSCENE) LABORATORIES

Innovative Set Design laboratories will be held in the city of Larissa from **May** to **October 2014**. Within the framework of implementation of the European program "Organising New Skills for Creative Enterprises and Networks in Europe" - ONSCENE, DIMITRA ITD organizes social and educational activities aimed at the development of skills and experiment with new approaches, methodologies and techniques.

Artists, painters, musicians, photo reporter, makeup artists, editors, illuminators, actors, etc. engaging in construction activities of sets and scene for various of performances during the Christmas period in the city of Larissa. The participants will visit the **Municipal Puppet Theatre of Larissa "TIRITOMPA"** to see sets and scene of Larissa's prestigious set designers as well as they will visit the amateurship theatrical group 'Dreams Miracles".

The duration of the laboratories will be 76 hours approx., divided into three parts, the theoretical part, the practical part and the analysis/feedback of the results, where the participants will get the opportunity to discuss and exchange views and ideas with experts in the field of stagecraft and scenography.

For more information please contact DIMITRA ITD **(+30) 2410 554026**, or visit the project's website **www.onscene.eu** .
