a

aims to prepare and train those persons who are involved in recognizing, promoting, counselling and guiding unemployed persons, senior workers and young people who are interested in becoming more entrepreneurial, by developing a profile and training of the 'Entrepreneurial Coach' and an Entrepreneurial Passport.

This project has been funded with support from the European Commission. This communication reflects the views only of the author and the Commission cannot be held responsible for any use which may be made of the information contained therein.

“My best Entrepreneurial advice is to start.”

Dave Morin, Path Co- Founder

About C-EO!

It's widely recognized that Entrepreneurship is an important way to create economic growth and strengthens a society.

Entrepreneurship and intrapreneurship are essential for all individuals with adapted approaches to reinforce entrepreneurial and intrapreneurial skills.

C-EO provides tools and instruments that can help to create opportunities for the particular target groups who are distant from the labour market and to recruit a regular position on the labour market.

C-EO pursues more skilled professionals in VET-institutions, employment offices and companies to support and guide upcoming entrepreneurs.

The Training!

Aims:

- To promote the entrepreneurial spirit in young people and unemployed adults.
- To know promotional tools of entrepreneurial spirit.
- To develop entrepreneurial and intrapreneurial skills.
