Selection criteria of vocational and educational actors

Criteria	Description	Evaluated as
Does the TP dispose of sufficient pool of qualified trainers?	Qualified in the meaning of the goals of the project methodology and the target groups	MANDATORY
Are the respective courses offered in both theoretical and practical level? I.e. is the TP able to organize „classroom education“ and on situ practical lessons?	Does the TP have an established cooperation with the relevant companies for the purposes of practical part of the course?	MANDATORY
How relevant are the training tools and facilities provided by the TP?	I.e. official publications (legislation, etc.), internal accredited training materials, interactive e-learning, templates, additional literature... (in national language and English)? How often is the set of relevant materials updated?	MANDATORY
How promptly and flexible is the respective TP providing you with his/ her feedback to your request related to the aims of the project activities (i.e. incorporation of the new curricula)? Is he/she willing to cooperate within the project structure?		IMPORTANT
Number of accreditation trainings conducted by the respective TP, how often are trainings in the respective field organized and the last date of such a training course.	The regularity and numerosity of the trainings in the respective field proves the level of the TP's overall conditions.	IMPORTANT
