

## Questionnaire for students

### Introduction of the questionnaire :

After the guidance you already had, you are now following a certain training.

We wish to collect your opinion about that guidance and your training

Your answers will help to understand better your daily life and will help the pedagogical teams to choose actions to settle in your school.

This questionnaire is anonymous, so it respects the confidentiality of your answers.

### 1) guidance before your present training

#### **1—Why did you choose your actual training? (3 answers maximum)**
