

## Questionnaire for trainers/ teachers

### Introduction of the questionnaire:

After the guidance your students received during the junior high school, they are now following a specific training in VET, vocational educational training.

We wish to collect your opinion about that guidance and their present training.

Your answers and those of your students and the parents will help to understand better the students daily life and will help the pedagogical teams to choose actions to be integrated in the school.

This questionnaire is anonymous, so it respects the confidentiality of your answers.
