

Questionnaire for parents

Introduction to the questionnaire :

After the guidance your son/daughter received during the junior high school, he/she is now following a specific training.

We wish to collect your opinion about that guidance and his/her actual training. Your answers and those of the students will help to understand better the students daily life and will help the teachers to choose actions to be settled in the school.

This questionnaire is anonymous, so it respects the confidentiality of your answers.

I) Guidance before your son's or daughter's present training
