ASSIGNMENT no/title:

7.WORKING ABROAD- Language (professional context)

Please note: in the *Internationalisation Guide for Teachers* you will find additional information about the Europass and the EUROCV. The website speaks for itself.

Who is this assignment for?

This assignment is for students who have an interest in internationalisation and/or would like to participate in a mobility experience. This assignment is part of a set of 10 assignments on Internationalisation and the preparation for mobility experience. This assignment focuses on what the student knows about where they live. This assignment is suitable for all students, irrespective of their professional field and whether they will or will not participate in a mobility experience. In their own country they can encounter internationalisation and globalisation too. (Check this site: <http://www.eurocv.eu/>)

When should this assignment be undertaken?

It is advised that this assignment is undertaken prior to mobility experience and could be integrated with other INtheMC assignments to form an enhanced project based assignment. It is up to the tutor to determine when a student is ready for an assignment. However, there is a logical structure in the set of 10 assignments

How many hours should be undertaken to achieve this assignment?

It has been estimated that around 4 hours work is need for students to achieve level 2, 8 hours for level 3 and 12 hours for level 4. This can be completed as part of the curriculum or independently. These estimated hours are merely a guideline and may need adjusting for students/trainees who have additional support needs. Assignments may prove useful for students who are not sure about participating in a mobility experience. In this case, working on one or more assignments, or on part of an assignment, can help a student decide.

What evidence is required to achieve this assignment?

A student/trainee can undertake level 2, 3 or 4 for this assignment. To achieve level 3 both level 2 and level 3 assignment tasks must be completed. To achieve level 4 both level 2, 3 and 4 assignment tasks must be completed. Where possible a student should use relevant materials to support the work in this assignment. Support from the tutor is sometimes essential. It is advised to have a few links to websites.

What are possible benefits of completing this assignment?

IVET participants themselves, who have been on a transnational placement, state the following benefits:

- Increased cultural awareness;
- Increased language ability;
- Increased self-confidence;
- Willingness to go again;
- Understanding other countries in Europe;
- Improved communication skills;
- Work relationships;

- Personal relations;
- More motivated to complete the study;
- Increased interest in other people;
- Expected positive impact on career opportunities;
- Improved vocational knowledge.

Preparation

- Work through the checklist together with the mobility student. You should meet at least once at the beginning of the assignment and once at the end.
- Students should complete the tasks outlined within the assignment. The evidence for this assignment could be presented in a variety of ways such as a report, presentation or project folder. It is advised that students discuss and agree the format with the tutor prior to starting this assignment.
- In the first couple of assignments students may encounter foreign languages (through websites from enterprises/organisations).
- Students should be informed that they will receive a certificate when they have completed the assignments. The certificate will list their results and is recognized by eight organisations in their country and abroad, which is of added value for their CV and job prospects.
