

## Test contract EduPlan

**Test contract for a four-week use of EduPlan**

**between**

**Ludwig-Maximilians-University Munich, represented by Prof. Dr. Thomas Eckert  
[hereinafter referred to as project leader]**

**and Mrs./Ms. or Mr. ...  
[hereinafter referred to as test partner]**

It applies concerning the project of

**EduPlan**

### **§ 1 Subject of the contract**

The test partner is granted the permission to demonstrate the tool of EduPlan to possible customers for testing or demonstration purposes.

The test phase starts on the 20<sup>th</sup> September 2012 and ends on the 19<sup>th</sup> October 2012.

Thereby the test partner can use his account of the tool for three times to create a demo version, to demonstrate potential future customers the various capabilities of the tool. Thus, the measurability of quantifiable data within the field of quality assurance of education provider, companies and other institutions, should be shown.

These data could be visualized and compared to each other. Hence the tool is suitable for self-evaluation, as a benchmark within the own country, but even more in comparison with other countries and to compare the project- / institutional experience of provider, trainer and learner.

### **€ 2 Rights and structure of ownership**

EduPlan is held by the associate institutions which are participating in this project, directed by the LMU/Munich (Ludwig-Maximilians-University, Munich) and represented by Prof. Dr. Thomas Eckert. For demonstration purposes EduPlan has always to be used and visualized with its own logo as well as with the logo of the LMU and the following addition:

*The tool of EduPlan was developed from an innovation transfer project of the European Union in the field of life-long learning/Leonardo. There it belongs to each of the involved partners, which are represented by the project leader Prof. Dr. Thomas Eckert of the LMU (Ludwig-Maximilians-*

University). For demonstration purposes in Spain it can only be used and displayed from Ms./Mrs. ... between the period of the 20<sup>th</sup> September 2012 – 19<sup>th</sup> October 2012. After this one month test period the test phase expires. If you are interested in, a login can be purchased. Therefore all conditions have to be reported to the LMU, what from the price will finally be determined.

### **§ 3 Test account**
