

Q • PLACEMENTS

The European host companies network
for the promotion of international
workplace training for IVET students
and apprentices

Lifelong
Learning
Programme

AIMS

- To assess, select and recruit potential host companies willing to host foreign trainees and apprentices
- To promote the knowledge and advantages of mobility for mobility participants: host companies, IVET students, IVET schools, apprentices and sending companies (for alternate training)
- To develop long lasting partnerships between IVET training providers and business sector, through coordinating organizations dealing with international workplace training
- To assure the quality of international workplace training using Q-Placement procedures
- To build a European coordinating organizations network covering North-South-East-West bringing high quality host companies
- Expanding this network to other countries and new coordinating organizations

October 2011 - September 2014
