

Lifelong Learning Programme

Leonardo da Vinci Transfer of Innovation - 2010-1-FR1-LEO05-14505
ARIADNE, the managerial guidance in Social Economy based on intrinsic skills, competences and values: commitment, behaviour and motivation

ESCEM Exploitation Plan:

What has been the impact of the project on education systems for each partner?

ESCEM partner has been use ARIADNE output in these training (more specially into master “Entrepreneuriat Social et Management”) to improve and tests the interest and relevance of the training module. At the end, we will use all ARIADNE output (methodology, results, experience) to improve all ESCEM training. ARIADNE project was interesting in the first step about define social economy specificities. But now, it is important to follow up (larger reflexion, exploitation and dissemination).

Which institutions / organizations (other than partners) expressed a strong interest in the use of the results?

Institutions have shown interest in the ARIADNE results were order buisness (especially in the context of the Chair of Social Economy and Management ESCEM): the Goupe Audiens, Maif the CJDES ...).

How many people / target group will benefit from the project results during the year following the end of the project in each partner country? Explain how you calculate / estimate this figure.

We have different profiles:

- Students (130 about all ESCEM training)
- Practitioners (73 about all ESCEM practitioner partners)

Lifelong Learning Programme

Leonardo da Vinci Transfer of Innovation - 2010-1-FR1-LEO05-14505
ARIADNE, the managerial guidance in Social Economy based on intrinsic skills, competences and values: commitment, behaviour and motivation

- Large (300 about ESCEM manifestation: colloquium/seminar on social economy management).

Please describe how the partners (if they want) will continue the project after the end of the ARIADNE grant. If, yes, what resources do you intend to use for their sustainability?

We will follow to work on ARIADNE output even after the project. Social Economy management is a strong topic for ESCEM (we have training, Chaire, teachers, practitioners who work in this field). Social Economy Management is a priority in our institution. ARIADNE will be permit to implement and grow up work about it. ESCEM institution will be use these own resources.

Detail what the outcome will be marketed and any other result will free law

When we will use ARIADNE output, we will put all reference and all partners. We will also inform ARIADNE partners about it to respect this collaborative work.
