ValidAid SECOND PROJECT MEETING

The First Day

The Second Project Meeting under “Validation of skills and knowledge for strengthening the positions of low-qualified employees in the labour market” project was hosted by the Portuguese partner **IEBA** - Centro de Iniciativas Empresariais e Sociais in their headquarters in Mortagua. During the meeting Mikas Balkevicius (Vilnius Kolegija) has presented the results from Work package 3, namely: Research of national systems of all partners; Report on Focus groups interviews; List of all stakeholders; Collection of good practises & projects in validation in all partners’ countries. Each presentation was followed by discussion among the partners on how the provided information can be optimised and made more useful to the end reader.

Afterwards, a discussion of the outlook and content of project web-site and project leaflet was conducted.

In the evening the partners have walked together along the banks of Mondego River to a wonderful restaurant where they have had the pleasure to taste typical Portuguese dishes.

The Second Day

On the second day the 4th work package “Development of the Validation Kit” was presented. Afterwards, the partners discussed the distribution of the activities and responsibilities - what documents should be developed; who will elaborate what; timeframes for pilot versions of the different documents. At the end all partners signed a Protocol with the assigned tasks and timeframes until the next meeting. In November in Paris, France.

Later in the day, our colleagues from IEBA has taken all partners to a tour around the Universidade de Coimbra (former Royal palace of Coimbra).

In the evening the partners have enjoyed a live fado performance while savouring the typical Portuguese bacalao and white wine.
