## Leonardo project World Wide Women

13<sup>th</sup> – 15<sup>th</sup> September 2012

Welcome in Bucharest!

Bucharest (Romanian: București) is the capital city and the commercial centre of Romania. It is located in the southeast of the country and lies on the banks of the Dâmbovița River. The city was first mentioned in 1459 and became the capital of Romania in 1862. Since then, it has gone through a variety of changes and has become the centre of the Romanian mass media, cultural and arts scene. Its eclectic architecture, which is a mix of historical, Ceausescu-era and modern, also reflects the city's varied history. In the period between the two World Wars, the city's elegant architecture and the sophistication of its elite gave Bucharest the nickname of the "Paris of the East" or "Little Paris". Although much of the historic centre was damaged or destroyed by war, earthquakes and Nicolae Ceausescu's program of systematization, much survived, and in our days the city is experiencing an economic and cultural boom.

# General information

## Accommodation

All the guests will stay at

### STARLIGHT SUITES HOTEL BUCHAREST

89-97 Grigore Alexandrescu St.

<http://www.starlighthotels.com/en/hotel/bucharest.html>

## Transfer

### Airport - Hotel

You will land at Henri Coanda (Otopeni) Airport. There are three possible types of transfer to the city, but we strongly recommend you to **use the taxi**. The other types of transfer are safe, but very uncomfortable.

The taxi station is just outside the airport terminal – 3 steps from the exit door. Use only the official taxis that are waiting near the door. Now there are more than one legal taxi companies from the airport to the city. The cost-per-km has to be written on the car's side. Pay attention to this, because each company has its own cost and there are differences.

A normal transfer cost from the airport to the hotel is around **30 Euro**.

Please remember the name of the hotel (**Starlight**) and address (**89-97 Grigore Alexandrescu Street**).

### Hotel – University

The Romanian partners will instruct the hotel staff about the taxi transfer.

Anyway, the meeting venue is POLITEHNICA University of Bucharest (313 Splaiul Independentei) – Dr. Kocher Centre.

## Currency

The Romanian national currency: 1 LEU, plural LEI. Sometimes, it is written RON (Romanian New Leu).

The Romanian banknotes are made from **plastic**.

The National Bank's exchange rate is somewhere between

4.5 – 4.7 LEI / EURO

3.7 – 3.9 LEI / CHF

For an optimum rate, change your currency in the **banks**, not in exchange offices. In the banks you will receive with 1 – 2 % less LEI than the National Bank's exchange rate.

Do not exchange money in the airport. You can lose as much as 10 % if changing on the airport. Near the exit doors of the airport terminal are located **ATMs** from which you can withdraw LEI with your **credit/debit card**. They belong to trusted banks.

## Costs

The hotel will cost about 70 euro / night (single).

A dinner can cost up to 25 euro / person.

## Weather

Usually, in September, the temperatures are:

30° C during day

10° C during night

Because now it is very hot and dry, it is likely that this September the temperature will rise to 35° C.

Usually, the September is not rainy, but showers can occur.

## Dinners

The Romanian partners will meet their guests in the hotel lobby for dinners (12<sup>th</sup>, 13<sup>th</sup>, 14<sup>th</sup> September).

All the restaurants will be at a walking distance from hotel.

Because the restaurant market in Bucharest is dynamic, the list of restaurants will be indicated prior to the meeting.
